SWEDEN

This Attestation of Conformity confirms that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 14342:2013

under system 1 for the performance set out in this Attestation of Conformity are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This attestation confirms, as a proof of continued certification, the validity of the Certificate of Constancy of Performance 0766-CPR-470/1, which was first issued on 23/04/2019 and remains effective for the agreed surveillance period unless the requirements and conditions, under which this attestation has been issued, have changed considerably.
